ARTHRITIS FOUNDATION OF W.A. INCORPORATED

STATEMENT BY THE BOARD OF MANAGEMENT

In the opinion of the Board of Management of the Arthritis Foundation of W.A. Incorporated (the Foundation) the financial report as set out on pages 5 to 24:

- (i) The attached financial statements and notes give a true and fair view of the Arthritis Foundation of WA Incorporated (the "Foundation") as at 31 December 2017 and of its performance for the financial year ended on that date; and
- (ii) The attached financial statements and notes comply with the Accounting Standards, the *Associations Incorporations Act*, the *Australian Charities and Not-for-profits Commission Act 2012* and the *Charitable Collections Act 1946 (WA)* and associated regulations; and
- (iii) The attached financial statements and notes comply with International Financial Reporting Standards as issued by the International Accounting Standards Board as described in note 1 to the financial statements; and
- (iv) The operations of the Foundation have been carried out in accordance with the Constitution of the Foundation; and
- (v) There are reasonable grounds to believe that the Foundation will be able to pay its debts as and when they become due and payable.

Signed in accordance with a resolution of the Board of Management by:

President

Board Member

As lead auditor for the audit of the financial report of Arthritis Foundation of W.A. Incorporated for the year ended 31 December 2017, I declare that, to the best of my knowledge and belief, there have been no contraventions of:

- (i) the auditor independence requirements of the *Associations Incorporation Act 2015 (WA)* and *Australian Charities and Not-for-profits Commission Act 2012* in relation to the audit; and
- (ii) any applicable code of professional conduct in relation to the audit.

**INDEPENDENT AUDITOR'S REPORT
TO THE MEMBERS OF
ARTHRITIS FOUNDATION OF W.A. INCORPORATED**

Qualified Opinion

We have audited the financial report of Arthritis Foundation of W.A. Incorporated ("the Foundation" or "registered entity"), which comprises the statement of financial position as at 31 December 2017, the statement of comprehensive income, the statement of changes in equity and the statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies, and the declaration by the board of management.

In our opinion, except for the matter described in the *Basis for Qualified Opinion* section of our report, the accompanying financial report of the Foundation has been prepared in accordance with the *Associations Incorporation Act 2015 (WA)* and Division 60 of the *Australian Charities and Not-for-profits Commission Act 2012*, including:

- (a) giving a true and fair view of the registered entity's financial position as at 31 December 2017 and of its financial performance and cash flows for the year ended on that date; and
- (b) complying with Australian Accounting Standards and Division 60 of the *Australian Charities and Not-for-profits Commission Regulation 2013*.

Basis for Qualified Opinion

Bingo revenue (Combined Charities & HASC) \$350,854 (2016: \$331,933) is a significant source of fundraising revenue for the Foundation. The Foundation has determined that it is impracticable to establish control over the collection of bingo revenue prior to entry into its financial records. Accordingly, as the evidence available to us regarding revenue from this source was limited, our audit procedures with respect to bingo revenue had to be restricted to the amounts recorded in the financial records. We therefore are unable to express an opinion whether bingo revenue of the Foundation is complete.

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Report* section of our report. We are independent of the Foundation in accordance with the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants* (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion.

Responsibilities of Management and Those Charged with Governance for the Financial Report

The board of management of the registered entity are responsible for the preparation of the financial report that gives a true and fair view in accordance with Australian Accounting Standards, the *Associations Incorporation Act 2015 (WA)* and the *Australian Charities and Not-for-profits Commission Act 2012 (ACNC Act)* and for such internal control as the board of management determine is necessary to enable the preparation of the financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

In preparing the financial report, board of management are responsible for assessing the Foundation's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Foundation or to cease operations, or has no realistic alternative but to do so.

Auditor's Responsibilities for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

A further description of our responsibilities for the audit of the financial report is located at the Auditing and Assurance Standards Board website at: http://www.auasb.gov.au/auditors_responsibilities/ar4.pdf. This description forms part of our auditor's report.

Report on the requirements of the Charitable Collections Act (1946) (WA) and the Charitable Collections Regulations (1947) (WA)

Opinion

We have audited the financial report of the Foundation, as required by the *Charitable Collections Act (1946) (WA)* and the *Charitable Collections Regulations (1947) (WA)*.

In our opinion

- a) The financial report of the Foundation has been properly prepared, and the associated records have been properly kept for the year ended 31 December 2017, in accordance with the *Charitable Collections Act (1946) (WA)* and the *Charitable Collections Regulations (1947) (WA)*; and
- b) Funds received as a result of fundraising activities conducted during the year ended 31 December 2017 have been properly accounted for and applied in accordance with the *Charitable Collections Act (1946) (WA)* and the *Charitable Collections Regulations (1947) (WA)*;

Auditor's Responsibilities

Our procedures included obtaining an understanding of the internal control structure for fundraising appeal activities and examination, on a test basis, of evidence supporting compliance with the accounting and associated record keeping requirements for fundraising activities pursuant to the *Charitable Collections Act (1946) (WA)* and the *Charitable Collections Regulations (1947) (WA)*.

Because of the inherent limitations of any assurance engagement, it is possible that fraud, error or non-compliance may occur and not be detected. An audit is not designed to detect all instances of non-compliance with the requirements described in the above-mentioned Acts and Regulations as an audit is not performed continuously throughout the period and the audit procedures performed in respect of compliance with these requirements are undertaken on a test basis. The audit opinion expressed in this report has been formed on the above basis.

ARTHRITIS FOUNDATION OF W.A. INCORPORATED

NOTES TO THE FINANCIAL STATEMENTS

For the year ended 31 December 2017

1. STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES

The financial statements covers the Arthritis Foundation of W.A. Incorporated (“the Foundation”) as an individual entity. The financial statements are presented in Australian dollars, which is the Foundation’s functional and presentation currency. The Foundation is a not-for-profit association that is incorporated in Western Australia under the Associations Incorporation Act 2015.

The financial statements were authorised for issue on 19 March 2018.

The principal accounting policies adopted in the preparation of the financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

New, revised or amending Accounting Standards and Interpretations adopted

The Foundation has adopted all of the new, revised or amending Accounting Standards and Interpretations issued by the Australian Accounting Standards Board ('AASB') that are mandatory for the current reporting period.

Any new or amended Accounting Standards or Interpretations that are not yet mandatory have not been early adopted.

Basis of preparation

These general purpose financial statements have been prepared in accordance with Australian Accounting Standards and Interpretations issued by the Australian Accounting Standards Board ('AASB'), the *Associations Incorporation Act 2015*, the *Australian Charities and Not-for-profits Commission Act 2012* and the *Charitable Collections Act 1946 (WA)* and associated regulations, as appropriate for not-for-profit oriented entities. These financial statements also comply with International Financial Reporting Standards as issued by the International Accounting Standards Board ('IASB').

Historical cost convention

The financial statements have been prepared under the historical cost convention.

Critical accounting estimates

The preparation of the financial statements requires the use of certain critical accounting estimates. It also requires management to exercise its judgement in the process of applying the Foundation's accounting policies. The areas involving a higher degree of judgement or complexity, or areas where assumptions and estimates are significant to the financial statements, are disclosed in note 2.

(a) Revenue

Revenue from the rendering of a service is recognised upon the delivery of the service.

Grant income and other contributions received are recognised when the Foundation obtains control of the grant or contribution and it is probable that the economic benefits will flow to the Foundation.

Interest revenue is recognised on a proportional basis taking into account the interest rates applicable to the financial assets.

Dividend revenue is recognised when the right to receive a dividend has been received.

ARTHRITIS FOUNDATION OF W.A. INCORPORATED

NOTES TO THE FINANCIAL STATEMENTS

For the year ended 31 December 2017

1. STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES (Cont.)

(b) Income tax

The Foundation is exempt from income tax under the provisions of Section 50-5 of the Income Tax Assessment Act 1997 as a charitable institution and holds deductible gift recipient status.

(c) Allocation of expenses

The Foundation reports its expenditure on a functional basis and accordingly, classifies its expenditure to specific programme services which describe the Foundation's social service activities and supporting services. Additionally, there is an expense classification of Administration in respect of expenditure of an administrative and general nature that is incurred and is not identifiable with a single programme, but is indispensable to the conduct of those activities and to the Foundation's existence.

(d) Fund accounting

On occasions the Foundation may receive resources restricted for particular purposes. To facilitate observance of these limitations, the financial statements list separately those funds which are restricted or designated and those funds which are unrestricted.

Restricted funds are those funds presently available for use, but expendable only for operating purposes specified by the donor or by statute. When the Board specifies a purpose for the expenditure of funds, where none has been stated by the original donor, such funds are classified as designated funds.

Unrestricted funds are those funds presently available for use by the Foundation at the discretion of the Board.

(e) Charitable Support

Charitable Support income, comprising bequests and legacies and donations and fundraising monies received, by their nature can only be recognised when they are recorded in the books of the Foundation. Bequests, legacies and donations are brought to account on a cash basis or where they are received other than in cash, according to the fair value of the bequest or donation when the ownership passes to the Foundation. All other income is brought to account on an accruals basis.

(f) Current and non-current classification

Assets and liabilities are presented in the statement of financial position based on current and non-current classification.

An asset is classified as current when: it is either expected to be realised or intended to be sold or consumed in the Foundation's normal operating cycle; it is held primarily for the purpose of trading; it is expected to be realised within 12 months after the reporting period; or the asset is cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least 12 months after the reporting period. All other assets are classified as non-current.

ARTHRITIS FOUNDATION OF W.A. INCORPORATED

NOTES TO THE FINANCIAL STATEMENTS

For the year ended 31 December 2017

1. STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES (Cont.)

(f) Current and non-current classification (Cont.)

A liability is classified as current when: it is either expected to be settled in the Foundation's normal operating cycle; it is held primarily for the purpose of trading; it is due to be settled within 12 months after the reporting period; or there is no unconditional right to defer the settlement of the liability for at least 12 months after the reporting period. All other liabilities are classified as non-current.

(g) Cash and cash equivalents

Cash and cash equivalents includes cash on hand, deposits held at call with financial institutions, other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

(h) Trade and other receivables

Other receivables are recognised at amortised cost, less any provision for impairment.

(i) Property, plant and equipment

Buildings and plant and equipment are measured on the cost basis less depreciation, and any accumulated impairment. Historical cost includes expenditure that is directly attributable to the acquisition of the items.

Depreciation is calculated on a reducing balance method for plant and equipment and straight line method for land and building over their expected useful lives. The depreciation rates used for each class of asset are as follows:

	Depreciation rate
Plant and equipment	7.5–30%
Building	2.0%

The residual values, useful lives and depreciation methods are reviewed, and adjusted if appropriate, at each reporting date.

An item of property, plant and equipment is derecognised upon disposal or when there is no future economic benefit to the Foundation. Gains and losses between the carrying amount and the disposal proceeds are taken to profit or loss.

(j) Investment properties

Investment properties principally comprise of freehold land and buildings held for long-term rental and capital appreciation that are not occupied by the Foundation. Investment properties are initially recognised at cost, including transaction costs, and are subsequently remeasured annually at fair value. Movements in fair value are recognised directly to profit or loss.

Investment properties are derecognised when disposed of or when there is no future economic benefit expected.

ARTHRITIS FOUNDATION OF W.A. INCORPORATED

NOTES TO THE FINANCIAL STATEMENTS

For the year ended 31 December 2017

1. STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES (Cont.)

(j) Investment properties (Cont.)

Transfers to and from investment properties to property, plant and equipment are determined by a change in use of owner-occupation. The fair value on the date of change of use from investment properties to property, plant and equipment are used as deemed cost for the subsequent accounting. The existing carrying amount of property, plant and equipment is used for the subsequent accounting cost of investment properties on the date of change of use.

Investment properties also include properties under construction for future use as investment properties. These are carried at fair value, or at cost where fair value cannot be reliably determined and the construction is incomplete.

(k) Impairment of non-financial assets

Non-financial assets are reviewed for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount.

Recoverable amount is the higher of an asset's fair value less costs of disposal and value-in-use. The value-in-use is the present value of the estimated future cash flows relating to the asset using a pre-tax discount rate specific to the asset or cash-generating unit to which the asset belongs. Assets that do not have independent cash flows are grouped together to form a cash-generating unit.

(l) Trade and other payables

These amounts represent liabilities for goods and services provided to the incorporated association prior to the end of the financial year and which are unpaid. Due to their short-term nature they are measured at amortised cost and are not discounted. The amounts are unsecured and are usually paid within 30 days of recognition.

(m) Employee benefits

Provision is made for the Foundation's liability for employee benefits arising from services rendered by employees to balance date. Employee benefits that are expected to be settled within one year have been measured at the amounts expected to be paid when the liability is settled, plus related on-costs. Employee benefits payable later than one year have been measured at the present value of the estimated future cash outflows to be made for those benefits.

Contributions to defined contribution superannuation plans are expensed in the period in which they are incurred.

ARTHRITIS FOUNDATION OF W.A. INCORPORATED

NOTES TO THE FINANCIAL STATEMENTS

For the year ended 31 December 2017

1. STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES (Cont.)

(n) Financial Instruments

Recognition

Financial instruments are initially measured at cost on trade date, which includes transaction costs, when the related contractual rights or obligations exist. Subsequent to initial recognition these instruments are measured as set out below.

Held-to-maturity investments

These investments have fixed maturities, and it is the Foundation's intention to hold these investments to maturity. Any held-to-maturity investments held by the Foundation are stated at amortised cost using the effective interest rate method.

Available-for-sale financial assets

Available-for-sale investments are those financial assets that are designated as available-for-sale. When available-for-sale financial investments are recognised initially, they are measured at fair value. Any available-for-sale financial investments donated to the Foundation are recognised at fair value at the date the Foundation obtains control of the asset. After initial recognition available-for-sale financial investments are measured at fair value with gains or losses being recognised as a separate component of equity until the investment is derecognised or until the investment is determined to be impaired, at which time the cumulative gain or loss previously reported in equity is recognised in profit or loss.

Impairment

At each reporting date, the Foundation assesses whether there is objective evidence that a financial instrument has been impaired. In the case of available-for-sale financial instruments, a prolonged decline in the value of the instrument is considered to determine whether an impairment loss has arisen. Impairment losses are recognised in the income statement.

(o) Fair value measurement

When an asset or liability, financial or non-financial, is measured at fair value for recognition or disclosure purposes, the fair value is based on the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date; and assumes that the transaction will take place either: in the principal market; or in the absence of a principal market, in the most advantageous market.

Fair value is measured using the assumptions that market participants would use when pricing the asset or liability, assuming they act in their economic best interest. For non-financial assets, the fair value measurement is based on its highest and best use. Valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, are used, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

ARTHRITIS FOUNDATION OF W.A. INCORPORATED

NOTES TO THE FINANCIAL STATEMENTS

For the year ended 31 December 2017

1. STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES (Cont.)

(p) Goods and Services Tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Tax Office. In these circumstances the GST is recognised as part of the cost of acquisition of the asset or as part of an item of the expense. Receivables and payables in the statement of financial position are shown inclusive of GST.

Cash flows are presented on a gross basis. The GST components of cash flows arising from investing or financing activities which are recoverable from, or payable to the tax authority, are presented as operating cash flows.

Commitments and contingencies are disclosed net of the amount of GST recoverable from, or payable to, the tax authority

(q) New Accounting Standards and Interpretations not yet mandatory or early adopted

Australian Accounting Standards and Interpretations that have recently been issued or amended but are not yet mandatory, have not been early adopted by the Foundation for the annual reporting period ended 31 December 2017. The Foundation has not yet assessed the impact of these new or amended Accounting Standards and Interpretations

2. CRITICAL ACCOUNTING JUDGEMENTS ESTIMATES AND ASSUMPTIONS

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts in the financial statements. Management continually evaluates its judgements and estimates in relation to assets, liabilities, contingent liabilities, revenue and expenses. Management bases its judgements, estimates and assumptions on historical experience and on other various factors, including expectations of future events, management believes to be reasonable under the circumstances. The resulting accounting judgements and estimates will seldom equal the related actual results. The judgements, estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities (refer to the respective notes) within the next financial year are discussed below.

Impairment

The Foundation assesses impairment at each reporting date by evaluating conditions specific to the Foundation that may lead to impairment of assets. Where an impairment trigger exists, the recoverable amount of the asset is determined. Value-in-use calculations performed in assessing recoverable amounts incorporate a number of key estimates.

An impairment loss of \$5,645 (2016: \$54,918) has been recognised for the year ended 31 December 2017.

The Foundation's buildings and improvements are situated on Crown Land, and title was previously held through a Reserve and vested in the name of the Foundation, over which there was a reservation, which designated that the land must be used for the purpose of an "Arthritis Centre". During the year ended 31 December 2001, the Foundation applied for and was granted a Crown Grant in Trust title whereby the Foundation must continue to use the building and improvements as before, for the purpose of an "Arthritis Centre".

17. FINANCIAL INSTRUMENTS

Financial risk management

The main risks arising from the Foundation's financial instruments are interest rate risk, liquidity risk, credit risk and market price risk. The Foundation does not hold financial instruments denominated in foreign currencies and does not use derivative instruments to manage risks associated with its financial instruments.

The Foundation's policies for managing each of these risks are summarised below. The policies are subject to Board approval and are reviewed regularly.

(a) Interest rate risk

The Foundation is not exposed to any significant interest rate risk.

ARTHRITIS FOUNDATION OF W.A. INCORPORATED

NOTES TO THE FINANCIAL STATEMENTS

For the year ended 31 December 2017

17. FINANCIAL INSTRUMENTS (Cont.)

(b) Liquidity risk

The Foundation manages liquidity risk by monitoring forecast cash flows and ensuring that adequate liquid funds are maintained.

When necessary, cash for unforeseen events may be sourced from liquidation of available-for-sale financial investments. It is Foundation investment policy that 50% of total investment must be liquefiable with 14 days.

Remaining contractual maturities

The following tables detail the foundation's remaining contractual maturity for its financial instrument liabilities. The tables have been drawn up based on the undiscounted cash flows of financial liabilities based on the earliest date on which the financial liabilities are required to be paid. The tables include both interest and principal cash flows disclosed as remaining contractual maturities and therefore these totals may differ from their carrying amount in the statement of financial position.

2016

	Weighted average interest rate %	1 year or less \$	Between 1 and 2 years \$	Between 2 and 5 years \$	Over 5 years \$	Remaining contractual maturities

ARTHRITIS FOUNDATION OF W.A. INCORPORATED

NOTES TO THE FINANCIAL STATEMENTS

For the year ended 31 December 2017

17. FINANCIAL INSTRUMENTS (Cont.)

(c) Credit risk

The Foundation is exposed to credit risk in respect of funds deposited with banks and other financial institutions.

Funds are deposited only with those banks and financial institutions approved by the Board. Such approval is only given in respect of banks that hold an A1 rating from Standard and Poor's.

At the reporting date, the Foundation does not have any material credit risk exposures to any single bank or financial institution.

(d) Market price risk

Market price risk is the risk that the Foundation's operations will be adversely affected by a significant adverse fluctuation on the value of its available-for-sale investments. The Foundation has engaged a licensed investment advisor to advise on the management of its investment portfolio. The Board has approved risk and return parameters for investment in available-for-sale investments and receives reports from management and its licensed investment advisor on a monthly basis regarding the performance of the investment portfolio.

Market price sensitivity

At 31 December 2017, if market prices had changed by +/- 15%, with all other variables held constant, the net assets for the year and equity would have been \$1,373,221 higher/lower (2016: \$1,286,201 higher/lower).

(e) Fair value of financial instruments

Unless stated otherwise the carrying amounts of financial instruments reflect their fair value.

18. KEY MANAGEMENT PERSONNEL DISCLOSURES

Compensation

The aggregate compensation made to officers and other members of key management personnel of the Foundation is set out below:

	2017	2016
	\$	\$

Dr Bob Langlands
Mrs Deborah Borshoff
Mr Bradley Gordon
Ms Stefanie Johnston (appointed 19/9/2017)
Dr Charles Inderjeeth (appointed 01/7/2017)

Key management personnel

Disclosures relating to key management personnel are set out in note 18.

Transactions with related parties

There were no transactions with related parties during the current and previous financial year.

Receivable from and payable to related parties

There were no trade receivables from or trade payables to related parties at the current and previous reporting date.

Loans to/from related parties

There were no loans to or from related parties at the current and previous reporting date.

21. BEQUESTS AND LEGACIES NOT YET RECORDABLE

The Foundation is the beneficiary of certain bequests and legacies and a donation, under various wills of deceased benefactors and an agreement respectively, the total realisable amount of which is not presently determinable. Such amounts will be recorded when clear title is established and the proceeds are measurable.

22. CONTINGENT LIABILITIES

The Foundation has given a bank guarantee to the Gaming Division of the Office of Racing and Gaming of \$35,000 (2016: \$35,000) in relation to raffle draws to be conducted by the Foundation.

The Foundation does not have any other contingent liabilities as at 31 December 2017 or 31 December 2016.

ARTHRITIS FOUNDATION OF W.A. INCORPORATED
